

Following a successful first year in the new Canine Centre on Maylan Road, Cloverleaf is looking forward to better things planned for 2013.

## 2012 in brief

The grand opening was attended by the new Mayor, the Carnival Princesses and other dignitaries from the area with a ribbon cutting ceremony followed by a fundraising party.

During the year over £300 was raised to help Shopmobility in Corby buy a new wheelchair. Tombolas and name the teddy stalls were held at various events in and around Corby. Huge thanks to all those who took part.

The Rescue Centre event in the autumn saw NANNA receiving more support for their hard work, with people interested in volunteering or rehoming pets.

## Looking forward

One of the biggest changes is to **Good Dog Training School**. The classes are now held at the Cloverleaf Canine Centre and over 3 days! From the 7th January 2012 the Beginners Primary School will be held on Mondays, puppy socialisation AKA Kindergarten on Wednesdays and the advanced classes (College) on Fridays. All classes will start at 6.30pm

Cloverleaf will be adding to its success. Grooming, day-care, training and behaviour rehabilitation being the core business. From a mucky pup to a naughty pup you can find the answer at Cloverleaf. Daycare is becoming a popular alternative to dog walking as your dog is entertained all day. House sitting is being requested more and more and is a new service that is being expanded over the coming months.

## EVENTS

A host of events is planned for 2013, including clicker days, dancing with your dog, trick training and loose lead walking workshops.

Dates will be released soon.

**Catherine O'Driscoll** is the keynote speaker at an evening on canine health and nutrition.

Catherine is one of the world's leading authorities on how what goes into your dog affects their health. She will talk about food and diets for dogs as well as the very important topic of vaccinations.

Tickets are limited and early booking is advisable.

**April 17th 7.00 for a 7.30 start.** Early bird tickets are £20 before 31st March or £25 after

# Cloverleaf Grooming Schedule

Pricing
from £20
On a 6-8 week schedule
From £30
On a 9 – 11 week schedule

## Recommended MINIMUM grooming schedule

<p>Winter</p> <p>December – February</p> <p>Shorter = dryer = healthier</p> <p>Shorter undercarriage, legs and feet. A seasonal “quicker dry” tactic to maintain body temperature and aid matt prevention</p>	<p>Spring</p> <p>March – May</p> <p>The shedding season</p> <p>Shorten and de-shed the coat of excess dead hair that has accumulated over the winter</p>
<p>Summer</p> <p>June – August</p> <p>Dog days with a trim coat</p> <p>Shorten and thin the coat to keep cooler in warmer weather and accumulate less debris</p>	<p>Autumn</p> <p>(September-November)</p> <p>Prepping that coat</p> <p>Strip loose and dead summer coat to encourage new hair growth this season in preparation for cooler weather</p>

## False economy grooming

Presenting a dog with a poorly maintained, overgrown, matted coat for “grooming” once or twice a year will cost more – in time, labour, product and patience. Neither your dog or your groomer will look forward to the prospect of a protracted, exhausting session together and invariably a shave off.

## Not just for pampered pooches

All dogs benefit from regular professional grooming, big or small, long haired or short your groomer can pick up any skin conditions that may need treating, spot problems such as grass seeds and get that loose hair off the dog and in the bin instead of on your sofa.

# Doggie Day Care and House Sitting

From just a couple of hours to all day; from one day to a whole week; your dog can enjoy the company of Olwen and the other dogs in day care.

Day care is the best alternative for your dog instead of being left home alone while you are out. Better than a dog walker as your dog has company all day and then spends a quiet evening with you at home.

Toys and walks are provided. Although most dogs prefer the freedom to play and run about off lead; your dog can be kept on lead if you prefer.

The most recent service added to Cloverleaf's growing list is house sitting. Whether it's one dog for one night or a house full for a week, you can be away knowing that your much loved pets and home are in safe hands.

From just £25 per night for one pet, which includes doggie day care on the day before or after your departure.

Booking early is advisable, summer time gets booked quickly and there is limited availability. House sitting includes feeding the cat and watering the plants.
